

currently in the process of a major expansion of the park to include a regulation soccer field, loop trail and a plaza with additional parking. Another service to residents is the drop-off recycling program that was begun in 1991 for the Mountain Top area.

The community has planned an extensive celebration of its 150th anniversary and America's independence that includes a concert, fireworks and a festival with food, entertainment, games and crafts.

Mr. Speaker, I am proud to represent the people of Wright Township, and I am pleased to call their community and patriotic spirit to the attention of the House of Representatives on the occasion of the township's 150th anniversary.

A TRIBUTE TO NORMA STEWART  
HAMILTON

**HON. BOB ETHERIDGE**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 28, 2001*

Mr. ETHERIDGE. Mr. Speaker, I rise today to pay tribute to one of America's great teachers, Mrs. Norma Stewart Hamilton of Dunn, North Carolina, in my congressional district, who is retiring from teaching on June 29th after 39 years of service to the children and communities of Harnett County. I want to take this opportunity to thank her for her hard work and service.

Norma Hamilton teaches home economics. She is known for her disciplined teaching style, but she possesses an ability to make her classroom an enjoyable place to learn. Recently, several of her former students joined together to celebrate her life's work at the 39th annual Western Harnett High School Mother-Daughter Banquet. They recalled her classes, the exams she gave, and most importantly, her willingness to listen and give sage advice. One of Mrs. Hamilton's former students, Mrs. Rebecca Collins Hunter, herself a home economics teacher, remembered that Mrs. Hamilton never allowed teaching subject matter to supersede her goal of teaching the individual.

It has been said that "The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. And the great teacher inspires." As the former Superintendent of my state's schools, I know the difference that an outstanding teacher can make in the lives of young people. Great teachers, like Norma Hamilton, not only teach academic lessons, they teach life lessons. They strengthen the moral fiber of their students and of the communities where they teach. They challenge their students to strive for excellence.

In almost four decades, she touched and shaped the lives of over 4,000 children. She inspired more than a generation of students to achieve their dreams and make their own unique impression upon the world.

Mr. Speaker, when Norma Hamilton retires at the end of this week, she will take on a new role in the Harnett County community. Although he will no longer teach in a classroom, I know she will continue to contribute to the lives of those around her because great teachers never stop teaching. Today, I honor her for

EXTENSIONS OF REMARKS

her dutiful service, and on behalf of a grateful state, I thank her for inspiring us with her great teaching.

HONORING THE DISTINGUISHED  
PUBLIC SERVICE OF JOHN  
PITTARD

**HON. BART GORDON**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 28, 2001*

Mr. GORDON. Mr. Speaker, I rise today to recognize the long and distinguished career that my friend John Pittard has had in the public service arena. John has served on the City Council in my hometown of Murfreesboro, Tennessee, for 19 years, as well as other civic boards and organizations within the city.

John's pride for his community is obvious. He has helped guide the city through a period of tremendous growth, not only in population but also in quality of life. He is one of the most honorable public servants I know, and I've known him most of my life. In fact, we went to high school and college together.

John's devotion to public service comes honestly. Both his mother, Mabel Pittard, and his father, the late Homer Pittard, were longtime educators and gave much of themselves to their community. A Murfreesboro school—the Homer Pittard Campus School—was even named after John's father.

Murfreesboro owes a huge debt of gratitude to John, who never became disillusioned or cynical during his two decades of public service. He served the city because of his love for the community, nothing else. John's wife, Janice, and his daughters, Emily, Mary and Sarah, are fortunate to have such a good man in their lives.

I have a deep admiration for John and congratulate him for his many accomplishments. His decency transcends both his public and private life. Thank you, John, for being such an unselfish and caring public servant.

HONORING SKIHI ENTERPRISES,  
LTD.

**HON. KAY GRANGER**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 28, 2001*

Ms. GRANGER. Mr. Speaker, today I want to recognize a great Texas company, SkiHi Enterprises, Ltd., on its 20th anniversary. Over the past 20 years, SkiHi has built a reputation as one of Texas' leading mechanical/industrial contractors. I want to extend my congratulations to the company's founders, Richard Skipper and Tom Hicks, and to everyone else who has had a hand in SkiHi's success.

In 1981, Richard Skipper and Tom Hicks formed SkiHi. Mr. Skipper and Mr. Hicks had both worked in the industry for many years, which gave them the experience and knowledge they needed to create a successful business together. They started with a simple business plan, focusing on not over-extending SkiHi's limited resources and on steady, con-

trolled growth. Because of these wise business practices and high quality work, SkiHi has become one of the best respected mechanical/industrial contractors in the state of Texas.

Today, SkiHi is a full service mechanical/industrial contractor with over 220 employees. The company has a 38,000 square foot headquarters and fabrication shop in Fort Worth, Texas, and opened an office in Lubbock, Texas two years ago. SkiHi's volume was \$1 million in its first year, \$4 million in the second year, and was over \$33 million in 2000.

SkiHi has worked on many large construction projects in Texas. One of SkiHi's first projects was renovating the Tarrant County Courthouse in downtown Fort Worth. SkiHi has also done extensive work in North Texas on Burlington Northern Sante Fe's corporate headquarters, Nestle's Texas Distribution Center, the James West Special Care Center for Alzheimer's Disease, the University of North Texas Health Science Center, Alcon Laboratories, and the Dallas-Fort Worth Rental Car Facility. In recent years, the company has also completed many projects outside of the Fort Worth area. The most notable is the United Spirit Arena at Texas Tech University in Lubbock.

SkiHi also gives back to the industry and community. In conjunction with the Construction Education Foundation, SkiHi provides workforce training classes at North Lake College and Trimble Tech High School. The Construction Education Foundation is a coalition of North Texas contractors that trains approximately 600 apprentices each year. SkiHi sends employees to high school career days and job fairs to promote the construction business. The company also provides on-the-job training for young men and women interested in a career in construction.

Additionally, SkiHi is an active member of the Associated Builders and Contractors. The company has been awarded for its quality work by the Associated Builders and Contractors on numerous occasions. Most recently, SkiHi was awarded First Place on the local level for the 2000 Associated Builders and Contractors Excellence in Construction Awards for its work on the Dallas-Fort Worth International Airport Rental Car Facility.

Once again, Mr. Speaker, I want to congratulate SkiHi Enterprises, Ltd., for 20 years of success. I know that the next 20 years will be even more productive.

HONORING THE 20TH ANNIVERSARY OF THE NATIONAL FOUNDATION FOR ECTODERMAL DYSPLASIAS

**HON. JERRY F. COSTELLO**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 28, 2001*

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the 20th anniversary of the National Foundation for Ectodermal Dysplasias (NFED) in Mascoutah, Illinois.

The NFED is the only organization in the United States providing comprehensive services to individuals affected by the ectodermal
